PRESERVATIVE

PRIMED TRIM & FASCIA

Fortified with XTP

UFP-Edge primed SPF trim lets you create stunning accents that dress and protect your home. Our branded offering of exterior wood trim and fascia is sure to provide years of low-maintenance beauty and enhanced curb appeal. And for the ultimate protection, choose our new XTP (Exterior Topical Preservative) and primer option. XTP fortifies each board and safeguards against rot and termites.

FEATURES

- Standard primed or XTP treated and primed
- SPF wood is kiln dried, stable and ready for paint
- Factory primed and coated on all six sides
- Enhanced with mildewcide to deter mildew
- Smooth, resawn and combed surface options
- 20 year limited warranty (peel, flake, rot, termites)
